AB 531

(Olsen R) Groundwater.

Introduced: 2/15/2011

Status: 2/16/2011-From printer. May be heard in committee March 18.

Summary: Existing law relating to groundwater management declares the intent of the Legislature to encourage local agencies to work cooperatively to manage groundwater resources within their jurisdictions, and makes related legislative findings and declarations. This bill would make technical, nonsubstantive changes to those legislative findings and declarations.

Position

No Position

AB 535

(Morrell R) Regulations: 5-year review and report.

Introduced: 2/16/2011

Status: 2/17/2011-From printer. May be heard in committee March 19.

Summary: Would additionally require a state agency to review and report on regulations that it adopts or amends on and after January 1, 2012, 5 years after adoption, as specified. The bill would require that the review and report include 10 specified factors, including a summary of the written criticisms of the regulation received by the agency within the immediately preceding 5 years and the estimated economic, small business, and consumer impact of the regulation. The bill would require the Office of Administrative Law to make the review and report available on the office's Internet Web site.

AB 685 **(Eng D) State water policy.**
Introduced: 2/17/2011

Status: 3/3/2011-Referred to Com. on W., P. & W.

Summary: Would declare that it is the established policy of the state that every human being has the right to clean, affordable, and accessible water for human consumption, cooking, and sanitary purposes, that is adequate for the health and well-being of the individual and family. The bill would require all relevant state agencies, including the Department of Water Resources, State Water Resources Control Board, and State Department of Public Health, to employ all reasonable means to implement this state policy. Those state agencies would be required to revise, adopt, or establish policies, regulations, and grant criteria to further this state policy, to the extent that those actions do not affect eligibility for federal funds.

Position
Watch

AB 745 **(Valadao R) California Water Plan.**
Introduced: 2/17/2011

Status: 2/18/2011-From printer. May be heard in committee March 20.

Summary: Existing law requires the Department of Water Resources to update every 5 years the plan for the orderly and coordinated control, protection, conservation, development, and use of the water resources of the state, which is known as the California Water Plan. This bill would make technical, nonsubstantive changes to that requirement.

Position
Watch

AB 763 **(Berryhill, Bill R) Department of Water Resources.**
Introduced: 2/17/2011

Status: 3/7/2011-Referred to Com. on W., P. & W.

Position
Watch

AB 779 **(Fletcher R) Water transfers: public notice.**
Introduced: 2/17/2011

Status: 2/18/2011-From printer. May be heard in committee March 20.

Summary: Would require a local public water agency to provide public notice to its customers prior to approving a transfer of water to the agency. By imposing notice requirements on local public water agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position
Watch

AB 800 **(Huber D) Boards and commissions: time reporting.**
Introduced: 2/17/2011

Status: 3/10/2011-Referred to Com. on B., P. & C.P.

Summary: Would require that a member of a board or commission that meets specified requirements submit a quarterly report to the chair of the board or commission that details the time worked by the member fulfilling the duties of his or her position. This bill would also require that the chair of the board or commission submit a quarterly report to specified committees of the Legislature that contains copies of all of the time reports received by the chair.

Position
No Position

AB 849 **(Gatto D) Water: use efficiency.**
Introduced: 2/17/2011

Status: 2/18/2011-From printer. May be heard in committee March 20.

Summary: Would state the intent of the Legislature to enact legislation to encourage the installation and implementation of residential and commercial water use efficiency measures, including, but not limited to, graywater and storm retention systems, to reduce or eliminate regulatory barriers for water use and efficiency, and if feasible, to provide incentives to increase investment in and use of graywater systems.

Position
Watch

AB 903 **(Berryhill, Bill R) Sacramento-San Joaquin Delta.**
Introduced: 2/17/2011

Status: 2/18/2011-From printer. May be heard in committee March 20.

Summary: Under existing law, legislative findings and declarations state, among other things, that the water problems of the Sacramento-San Joaquin Delta are unique within the state and that a general law cannot be made applicable to the Delta. This bill would make technical, nonsubstantive

changes to those legislative findings and declarations.

Position

Watch

AB 968 (Chesbro D) California Indian tribes: state agencies.

Introduced: 2/18/2011

Status: 3/10/2011-Referred to Com. on G.O.

Summary: Existing law encourages and authorizes all state agencies to cooperate with federally recognized California Indian tribes on matters of economic development and improvement for the tribes. This bill instead would require all state agencies to cooperate with federally recognized California Indian tribes pursuant to these provisions. It would also require every state agency to adopt a policy of communication and consultation with, and require the Governor to meet at least annually with elected officials of, California Indian tribes, regardless of whether a tribe qualifies as a federally recognized California Indian tribe. This bill contains other related provisions.

Position

No Position

AB 977 (Harkey R) Water.

Introduced: 2/18/2011

Status: 2/20/2011-From printer. May be heard in committee March 22.

Summary: Existing law requires there to be incorporated in the planning and construction of any physical structure to provide for the conservation, storage, regulation, transportation, or use of water, constructed by the state itself or by the state in cooperation with the United States, features, including, additional storage capacity, that the Department of Water Resources determines necessary or desirable for the preservation of fish and wildlife, and necessary or desirable to permit, on a year-round basis, full utilization of the project for the enhancement of fish and wildlife and for recreational purposes to the extent that those features are consistent with other uses of the project, if any. In making this determination, existing law requires the department to give full consideration to any recommendations that may be made by the Department of Fish and Game, the Department of Parks and Recreation, the Department of Boating and Waterways, any federal agency, and any local governmental agency with jurisdiction over the area involved. This bill would make technical, nonsubstantive changes in this provision.
